SHACK ON THE DUNES WITH WILD ROSES
Cape Cod, Massachusetts

Hi
We are finally on vacation
It is so beautiful here
there is such variety (our
in the ocean, bay, Black fish
Creek or Fresh Water Ponds) that
we can't help but love it!
So much so we are consider-
ing buying a place. We went
around today looking at a real
estate man! Robert just loves
it. Everytime we want to go
